

SCHOFIELD BOYS IN LAST REVIEW FOR GEN. WISSER

At the request of Brig.-gen. Frederick S. Strong, commanding the 1st Hawaiian Brigade, Schofield Barracks, Brig.-gen. John P. Wisser will visit the Lihue post tomorrow morning at 10 o'clock to attend a review of all troops there.

This will be in the form of a farewell review, held in honor of Gen. Wisser, who retires this summer for age, and who is to leave here with Mrs. Wisser on June 5 or thereabouts. Gen. Wisser's date of retirement is July 19, but he has a two-months leave of absence just prior to that time. Gen. R. K. Evans, who succeeds Gen. Wisser, will arrive here on Saturday and take command immediately.

All of the troops at Schofield will be called out tomorrow morning in honor of the retiring commander—in infantry, cavalry and field artillery. Gen. Wisser's aides, 1st-Lieut. Richard H. Kimball and 1st-Lieut. Lester D. Baker, will accompany him.

M'INERNEY TRACT LOTS ARE IN MUCH DEMAND

Lots in the McInerney tract are going fast and Section A has been all but sold out, is the statement of Charles S. Desky, agent for the tract. Mr. Desky states that of the 278 lots in Section A, there remain unsold but 22, and that Section B, C and D have been put on the market and a considerable number of lots in them are already sold. Houses are going up "like mushrooms in the night," but unlike those fungi the buildings are of the substantial and permanent type.

Four children of Gus Ruhonen, a Finnish farmer living in the woods near Chisholm, Minn., died of scarlet fever, when the Ruhonen home was snowed in.

A majority of army officers who arrived from San Francisco this week from the Philippines and Honolulu, voluntarily relinquished their furlough in the hope of being sent to Mexico.

One Good Pinch of Tyree's Antiseptic Powder

In a pinch of trouble, a pinch of Tyree's Antiseptic Powder is a sure remedy for all sorts of skin troubles. It is a powerful antiseptic and disinfectant, and is used by doctors and nurses for all sorts of skin troubles. It is a sure remedy for all sorts of skin troubles. It is a powerful antiseptic and disinfectant, and is used by doctors and nurses for all sorts of skin troubles.

EVERYTHING For The Eye and Ear

This is What She Wrote:

"It is so excellent that I want you to send me another, as I want to give it to a friend."

This is an extract from a letter we received from Australia last week. She had purchased a "Little Gem" Ear Phone when passing through Honolulu on her way home from the states, and she was so pleased with it that immediately upon her arrival she wrote us to send her another.

ANOTHER SHIPMENT HAS JUST ARRIVED.

Five Hawaiian musicians will leave Honolulu May 26 in the steamer China for Shanghai, China, to fill a lengthy engagement at the Carleton Cafe in that city. They are Robert Akeo,

SUGAR STOCKS HOLD FIRM OR MAKE ADVANCES

In the day's trading at the stock exchange Honokaa advanced 3-8 on small sales. McBryde advanced to \$14.25 and then at the morning session reacted to \$14. In this stock the heaviest trading was seen, aggregating 550 shares. Oia maintained its yesterday's high price on sales of 275 shares. Generally the same firm tone and evident confidence in the market was observable. Sales for day were 1855 shares. Ten shares of Honolulu H. & M. were sold at \$19.75, an advance of 1-8. Mineral Products was much in demand this morning as it has been for several days past. This active demand for the stock is occasioned by persistent rumors to the effect that the company will be in a position to enter upon dividend disbursements regularly after July 1. These rumors are rather specific and even go so far as to state daily earnings. But such statements vary in amount, being placed at all the way from \$5000 to \$10,000.

Coast quotations on most mining stocks were lower, this being attributed to the unsettled Mexican condition and uncertainties as to the European war and danger of this country becoming involved. But such rumors did not affect Engels Copper which continued to sell at \$2.95. A California paper states that Engels is now shipping from 80,000 to 100,000 pounds of concentrates daily.

The third annual report of the Mountain King Mining Company has been received. It shows receipts of \$227,532.09, disbursements of \$191,303.06 and assets of \$737,978.82. Ore mined and milled totaled 28,145 and there were 3765 feet of development work.

STANDARD OIL BULLETIN TELLS OF ADVERTISING IN HAWAIIAN ISLANDS

Showing its progressiveness as an advertiser and telling of some of the difficulties it has to overcome in reaching non-English reading public, the Standard Oil Bulletin publishes an article, entitled "Used in the Hawaiian Islands." As published the article is illustrated with reproduction of two of the advertisements referred to. Omitting the illustrations it is as follows:

"Sixty thousand idiographs and 15,000 characters are used in Japanese writing. The few used in these two 'ads' show how the Standard Oil Company (California) invites readers of the Hawaii Advertiser and Nippon Jiji (both Honolulu newspapers) to use Red Crown and Zerkene. A fast-increasing demand for Standard products—especially those used in operating the internal combustion engine, bespeaks the prosperity and progress of Uncle Sam's island territory. In Hawaii, as in America, the automobile and motor truck are rapidly displacing the horse and other more primitive methods of land transportation, and in the harbor at Honolulu the fishing sampan not equipped with a gas engine can hardly be accounted a factor in the industry."

William Smith, Valentine Kawai, John Nieper and Joseph K. Kaula.

Circuit Judge Whitney has approved the final accounts of Judge C. K. Quinn as trustee of the estates of Harry K. George K. and Hattie K. Ana, minors. Because of Judge Quinn's recent removal to Hilo, Atty. R. W. Breckons has been appointed trustee in his place.

The Outdoor Circle requests the donation of clumps of white gladiolus to be used to complete a gardening scheme now being carried out on the grounds of the new Mission Memorial, King street. Anyone with white gladiolus to give away is requested to telephone Mrs. A. E. Murphy.

Women carpenters have made their appearance in Mayence, where they are taking the place of their husbands and brothers who are at the front.

BROWN EXPECTS FIRST MEETING OF JURY JULY 1

Arthur M. Brown, city attorney, who is in his office again following a severe operation for appendicitis, stated today that the initial meeting of the territorial grand jury probably will be held July 1, or as soon after the date as convenient to all concerned.

"The appropriation for the new fiscal year becomes available June 30," says Mr. Brown, "and that will mean that there will be money with which to pay the fees of the grand jurors. I intend to call a meeting of the tribunal just as soon as the money is available."

Attorney Brown added that there will be but little work to present to the grand jury, as there are few cases now pending for investigation.
